» ABOUT US

Expertise in Designing of
customized Battery packs &
Chargers for OEM customers.

» ESTABLISHED-1980

- » **Montu Electronics LLP** formerly known as Montu Electronics is pioneer in Battery and Battery Charger business in INDIA. The company started by Mr S.S Kandhari in 1980's. Company started its rechargeable Battery-Pack assembly line in 90's. Mr S.S. Kandhari as Mentor of Company & Managing Partner as well.
- » We also cater OEMs with our manufactured SMPS Based Battery Chargers & Adapter with Battery Back-up. The top Global Battery Manufacturers like VARTA, GP Batteries-Singapore & Samsung have appointed Montu Electronics LLP as Industrial & OEM Distributors for India, since 2001. The company imports battery cells from world renowned companies like SAFT, BAK, GP, LG, VARTA & SAMSUNG for assembly of Battery Packs for different Applications. It has in-house Computerized Battery Charge/Discharge and Battery Capacity Evaluation QC machines. Montu Electronics perform computerized IR and life cycle testing of batteries also.

We Deal In Below Mentioned Cell Chemistries-

- » Nickel Cadmium (Ni-Cd Battery)
- » Nickel Metal Hydride (Ni-MH Battery)
- » Lithium Ion (Li-ion Battery)
- » Lithium Polymer (Li-Poly Battery)
- » Lithium Iron Phosphate (Li-Fe P₀₄ Battery)
- » Company has in-house Computerized Battery Charge/ Discharge and Battery Capacity Evaluation QC machines. *Montu Electronics LLP* can perform and provide computerized complete capacity test report, IR and life cycle testing of batteries as per customer requirement. Company performs Inward and Outward QC.

» Our Mission

To Bring New-Trends in market by our innovative and high performance ratio products with perfect **QUALITY** and **SERVICE**. Our ultimate reward is to bring a smile to the consumer's face as they enjoy our top-performing products

» Our Products

GREEN POWER (Cells & Battery Packs)

1. Li-ion / Li-Poly
2. Ni-MH / Ni-CD
3. Li-Fe PO₄

GREEN POWER

1. Li-ion / LFP Range of Battery Chargers
2. Mini UPS Adaptor With Battery Backup

DIGICAM

1. AA/AAA LSD Range of Ni-MH Cells
2. Ni-MH Cell Charger

GREEN POWER

DIGICAM

High Integrity

Standard Quality

Great Innovation

High Efficiency

High Durability

PCM is used in all packs

Branded Quality cells used

BIS Approved

Easy Installation

WE PROVIDE PRODUCTS WITH

GREEN POWER

» New Launch

Smart Battery with Fuel Gauge

- » Glowing green LED indicate % of remaining charge Level
- » Read out battery charge % level by pressing" Push button"

Green Power
Smart Battery with
Fuel Gauge

Application:

IoT Based Devices | Agricultural Equipments | POS Terminal | Data Logger

GREEN POWER

» Li-ion/ Li-Poly Battery Packs & Cells

» Features

- * High Performance
- * Actual Capacity
- * BIS Approved

Application:

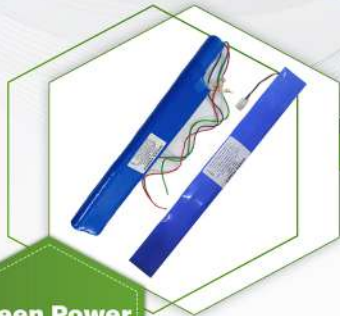

Solar | GPS/VTS | Biometric | Defense | POS Terminals

GREEN POWER

» Li-Fe PO₄ Battery Packs

» Features

- * High Performance
- * Actual Capacity
- * BIS Approved

Green Power

Li-ion Battery 36V,
5Ah with Protection
Circuit

Application:

Street light-Solar | Electric Bicycle

GREEN POWER

» Li-ion/LFP Range Of Chargers

» Features

- * With Stand AC 100- 270 V Indoor Power Supply
- * ABS Plastic Material
- * With Full Charge Indication
- * Battery Over-Charge & Over-Current Protection

Use For:

3.7V, 7.4V, 11.1V, 14.8V Battery Packs

GREEN POWER

» Customized Mini UPS Adaptor with Battery Back-up

» Features

- * Replaceable Batteries
- * Uninterrupted Meetings
- * ABP plastic Cabinet material

Green Power

Power Adaptor with
Battery Backp

Application:

STB Box | Router (Wi-Fi) | Laptop

DIGICAM

» AA/AAA Range Of Cells & Chargers

» Features

- * LSD Cells
- * High Performance
- * Actual Capacity
- * Long Life

Use For:

Photographers | Toys, Remotes | Industrial Machines | Flash Light

DIGICAM

» Ni-MH / Ni-CD Battery-Packs & Cells

» Features

- * High Capacity
- * High Performance
- * Easy Installation
- * LSD (Low Self Discharge)

Application:

Medical | Industrial | Drilling Machine | Metal Detectors | Cordless Phones

Our Achievements

We have crossed historic milestones and have a variety of achievements. Our company's journey started from a merchant's company selling one product to, a global player. Where we are today. Throughout the decades, we have seen many ups and downs, a steady flow of innovations, and continuous expansions through organic growth and acquisitions. During this time, the **Montu Electronics LLP**'s family became larger, and hundreds of employees all over India have contributed to our success, which is marked by us as numerous awards and excellent achievements.
